Dear Parents/Guardians: Have a great and restful weekend! See everyone on Monday!

FSA

In the upcoming weeks we will have Foundation Skills Assessment for all grades 4 and 7 in British Columbia. They will be writing provincial assessments in Reading, Writing and Numeracy. The primary purpose of the F.S.A. is to help the schools, school planning councils, school districts and the province evaluate how well reading, writing and numeracy are being addressed and to make plans for improvement. The secondary purpose is to provide individual student information for the specific skill set.

F.S.A.'s are intended to measure the basic reading, writing, and numeracy skills over school years to date, not just skills acquired in a single grade or course. F.S.A.'s are only one measure of student learning. It complements regular classroom assessment by teachers. F.S.A. results help focus home and school discussion on how to improve student learning. F.S.A. results do not count toward the student's report card marks.

Reminder

If anyone changes their email address, please inform Mrs. Klantschi at her email lkantschi@sd35.bc.ca in the office, so she can make the appropriate changes in our system.

Traffic Flow and Parking Reminders

Parents and caregivers, in order to start the school year off right and to ensure everyone's safety, we ask that you PLEASE REMEMBER THE FOLLOWING:

- 1) Our drive thru has three lanes.
- 2) The lane closest to Bartlett Street is a drive thru lane only.
- 3) The middle lane is our drop off/pick up zone. It is not a place to park your vehicle so you can walk your child to class. Vehicles ARE NOT to be left unattended at any time, as they cause a backlog and make it difficult for vehicles and our school buses to enter the drive thru and for pedestrians to cross safely over to the school.
- 4) The lane closest to the school is designated for use by school district buses only.
- 5) Please do not block any of our crosswalks or the bus lane at any time.
- 6) In order to ensure everyone's safety, we ask pedestrians to set a good example by using the crosswalks in the drive thru when crossing over to the school. Drivers, please remember to proceed through the drive thru slowly and with caution, and to stop for pedestrians!
